

TEXAS MEDIATOR'S TRAINER'S ROUNDTABLE

TRAIN-THE-TRAINER WORKSHOP AGENDA

February 23, 2012

Workshop Objectives:

- Learn 7 different intelligences for adult learning and ideas for how to incorporate them into your training design
- Learn 2 communication style differences that impact a training room
- Learn strategies to address trainer challenges
- Understand how to balance your role as an expert and as a guide in the training room
- Facilitate group learning to further a participant's understanding of a key concept
- Learn easy techniques for graphically recording on flip charts
- Learn where to go to find free video and images for use in your training without infringing on copyright
